**SUPPLEMENTAL STATEMENT FOR PETITION TO REVIVE AN
APPLICATION ABANDONED UNINTENTIONALLY UNDER 37 CFR 1.137(b)**

Dear Ms. Marianne Morgan:

In response to your fax transmission of May 22, 2002, please accept this supplemental statement relating to the previously filed petition to revive the above referenced patent application.

A Patent Cooperation Treaty Application (PCT Application) was filed on 12/03/2001 based on the above referenced U.S. Patent Application No. 09/733,794. Because Applicant's Attorney failed to file a Request to Rescind Previous Nonpublication Request with the U.S. Patent Office within the required 45 days following filing of the PCT Application, the U.S. Patent Application was automatically abandoned.

Applicant's Attorney discovered this omission shortly after the 45 day deadline had run. Upon discovering this omission, Applicant's Attorney immediately sent to Applicant a Request to Rescind Previous Nonpublication Request form which Applicant signed on February 14, 2002 and returned to Applicant's Attorney. Applicant's Attorney filed the pending Petition to Revive along with the signed Request to Rescind Previous Nonpublication Request on 2/19/2002.

Applicant earnestly requests that the pending petition to revive be granted because the abandonment of the U.S. application was unintentional.

The Commissioner is hereby authorized to charge any additional fees to the deposit account of the undersigned, No. 13-0470.

Respectfully submitted,

Molly D. McKay, Reg. No. 35,609
